Language Arts

Word Study begins this week. Students will receive a word list each week and will complete activities using their word study sort both at school and at home. An assessment will be given every Friday.

Writing Workshop: Students are writing each day. We are writers & illustrators!

Sight Words: can, I, go, the, is
Practice sight words on:

www.spellingcity.com/Munfordfirst

Home reading continues: Remember to read each night for 15 minutes.

Science

We will continue conducting experiments. We will use the scientific method to do experiments and use our senses to make observations, and we will graph our data.

Social Studies

We will discover what happened in the **past**, what is happening in the **present** and what may happen in the **future**.

Math

Topic 2: Student will compare two numbers between 0-100 using symbols and words (greater than, less than, or equal to).

Important Dates:
